Pre-Publication Requirements Letter

*\*\*Please maintain this letter and provide a copy to your respective scholarship/academic institution representative.*

Dear Prospective or Current Student Volunteer and Scholarship/Academic Institution Representative,

Hello from the United States Cyber Command (USCYBERCOM)! The purpose of this letter is to inform you of policies regarding engagements/contact with the public that will impact your student/scholar and institution. Additionally, please be advised all Student Volunteers receiving academic credit for their participation in the Student Volunteer Program (SVP) must obtain and submit a signed SVP Participation Approval Letter on official letter head from their academic institution, when requested by USCYBERCOM (i.e., approximately two weeks prior to the Volunteer's start date). There is no designated template; however a sample letter template is available to the candidate upon request. The letter must validate the law student: 1. is still enrolled and in good standing at the school, 2. has permission to volunteer during his/her/their Fall or Spring Semester, and 3. must include any academic requirements and approximate due dates (e.g., paper, evaluation/feedback discussions or forms with/for USCYBERCOM, speeches, or any publications, etc.) to receive academic credit for the volunteer opportunity (if applicable).

If the student/scholar has a paper, speech, publication, evaluation, publication or ANY other oral or written requirement (related to USCYBERCOM or the National Security Agency) to satisfy for his/her/their academic institution/scholarship, or future academic/career goals, then he/she/they must submit all content for pre-publication review/approval at least 30 days in advance.

**The Pre-publication requirement is a lifetime obligation for the Student Volunteer.** USCYBERCOM Student Volunteers will receive a brief and instructions on this process/lifetime obligation during indoctrination. If an evaluation/supervisor feedback is required for the student to receive academic credit, we respectfully request the Student Volunteer complete the following:

- Submit a meeting request with all evaluation/feedback questions in writing to Cyber\_Recruiting@cybercom.mil at least 30 days in advance. Please put "ATTN SVP Program Managers" in the subject line.
  - Note: We are unable to host in-person meetings, participate in video meetings, or access school/other portals or external websites to complete surveys/evaluations.
  - We will schedule a phone meeting and provide a conference line number, or we will call you on the designated meeting date/time.
  - Recordings of meetings are not authorized.

We appreciate you helping us uphold our policies. If you have any other questions, please have your student/intern/scholar submit them to us directly for a quicker response. Thank you!

Sincerely,

USCYBERCOM

P.S. A sample letter template is available to the candidate upon request.
