I have 9 devices he has cloned and loaded this on for targeting purposes and torture with microwave, EMF, neural warfare etc. This has been reported to the FBI and DHS. DoD contractors have followed me as well in Nov 2024 at Beau Rivage Casino for one example. I believe I am being targeted, using smartface overlays, v2k, and the following individuals are involved: Richard Gorken of Chapel Hill, NC. Gary Gorken of GMS - Fredericksburg, TX and sells to US Navy. Kathy L Holmes Programmer, DOB (b)(6) of Lake Villa, IL. Erick Kahn and Justin Alan Katz my former neighbors on Glenarye Dr in Lindenhurst IL. Martin and Brandon Geweke of Lake Villa and Antioch IL. ComEd Electrical transformer tampering for high voltage shock. Cell towers sending shock to my body, brain at any location in US. My husband obtained an insurance policy from Alpha International Life in the UK and Bemuda, Alpha owned by an Investment group who deals in US Military and Navy. I have also reported this to the CIA, Lake County IL States Attorney, Lindenhurst PD bribed, intercepted my 911 calls to department s 40 miles away. My minor daughter was in the house while these individuals were targeting my home and hunting me in my own back yard. Justin A Katz employed by Phononic LLC in Durham NC wired my home and tampered with my utilities. These individuals are armed and terrorized my home. I have the devices in storage. My original device was (b)(6) and email hacked at (b)(6). Also Ralph P. Egan of the Chicago Police has been tethered to my devices for several years, distribution of revenge porn and my IP address has put me in places I did not go, making purchases I never made using my image and biometrics. I am a housewife, have not used Social Media since 2023 and being harassed and attacked every day for 15 months via Cyber means. I have been attacked with laser, I have been followed by hitmen. My husband has covered up the payments, SIM swaps, devices, and equipment purchases at PFCU credit union in Des Plaines IL where he was on the board and our bank. Staff have allowed & assisted forgery and backed out incriminating payments, transfers, visa, home equity line that we hold jointly. Also made purchases on Amazon under my minor daughters credentials and email (b)(6). This is the most extreme form of human rights abuse with technology to cover up a murder for hire plot. 25-R083	Melanie Montemayor	All Others	N/A	<p>I am Melanie Brooke Haley Montemayor, born on (b)(6). I am writing to request all documents related to electronic telepathy, V2K (Voice-to-Skull), and microwave hearing, particularly those associated with patent number US5356368A, which was created by the Monroe Institute. From 1994, while a student at Gardner Street Elementary in Hollywood, California, I was enrolled in the GATE program. My addresses at that time were (b)(6) and later (b)(6). The GATE program tested my ability to hear and recognize frequency patterns, similar to techniques used in the Gateway Process. I believe the Tavistock Institute was seeking psychic children and that I have been under observation ever since. Even after leaving the GATE program, I was subject to annual, unusual testing. Around 2008, while living at (b)(6), I began experiencing what I believe to be the effects of a directed energy weapon. The core of my current issue began in 2021 when I lived at (b)(6) and I reported to the FBI that the maintenance man, (b)(6), from Honduras, looked like (b)(6) and had similar scars. I believe several individuals were involved: (b)(6): Lived above me and looked like (b)(6). He had a scar on his chest, which he falsely claimed was from a pig heart transplant. (b)(6): Lived next door to me and had a scar on his hand. He looked like (b)(6) and had Facebook connections to people with that last name. A man from Apartment 95: Looked identical to a man on a poster for (b)(6). He tried to babysit my son and once lived next to a woman who said, "I hear what you do to your son at night." (b)(6): Lived next to (b)(6). He had a cousin named (b)(6) who also introduced herself as (b)(6) and looked like missing girl (b)(6) son was also molested, reportedly by (b)(6). After I reported these incidents, I was followed, and there were multiple kidnapping attempts. I moved to (b)(6), but the harassment continued. I then gave temporary custody of my son, (b)(6), to my mother, (b)(6) address, (b)(6). I believe my son's father and my abuser, (b)(6), my mother, and her husband, (b)(6), became aware of my location. I suspect they are involved in the harassment. My mother betrayed me by siding with (b)(6) despite him being in jail after my son said he raped him. My mother has worked for aerospace companies, one with military contracts, which I believe made a composite metal used in direct energy weapons that can cause Havana Syndrome-like effects. (b)(6) and his son, (b)(6) (who changed his name to (b)(6)), own a company that installs 5G towers, giving them the capability to track me. My original phone number was (b)(6). My aunt, (b)(6), who made the down payment on the Las Vegas apartment, was the first to know my new number. I believe she may be involved. The harassment became more severe after my new number was discovered. (b)(6) ex-wife, (b)(6), died in a suspicious car accident in Georgia while reportedly setting something up for him and his 5G company. The harassment has impacted my life significantly, leading to financial hardship. I am constantly bullied by a robotic voice and harassed by vehicles with Carolina license plates. They have threatened my son and me and use a heavy vibration type of yelling. I believe they are using International Publication Number WO 2005/055579A1 and/or US5356368A. I began hearing the voices more clearly after trying to connect my EEG device to record my brainwaves. The harassment has become physical. I found an AirTag on my car, and a CO2 monitor showed high levels in my vehicle after it was parked. They have told me they are poisoning me with "strict 9," which I am countering with activated charcoal. I have always had psychic abilities and was deemed above average on ESP decks as a child. I believe the V2K and microwave hearing technology I am experiencing is tied to my childhood experiences and abilities.</p>	8/26/25
