

Three-step Application Process

1

Create an All-Partners Access Network (APAN) account

- a. Go to <https://www.apan.org>
- b. Click "Create an Account" using your institutional e-mail address

2

Request access to the application form

- a. Navigate to <https://wss.apan.org/cy/uscycbercom/AcademicEngagement>
- b. In the "Let us know why you need access to this site" box, write your Institution Name, that you want to apply to the USCYBERCOM Academic Engagement Network, and the passcode from the webinar
- c. Click "Send request"

Await same-day confirmation

You will get an email notification when you have been granted access to the form

3

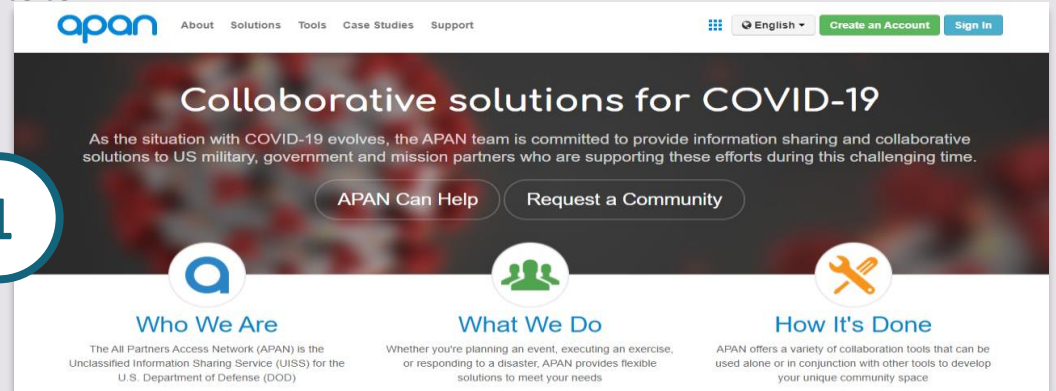

Fill out the application form by November 15, 2021

- a. Click "Go to the site" to navigate back to <https://wss.apan.org/cy/uscycbercom/AcademicEngagement>
- b. Click the "Apply Now" button
- c. Fill out all fields to the best of your ability

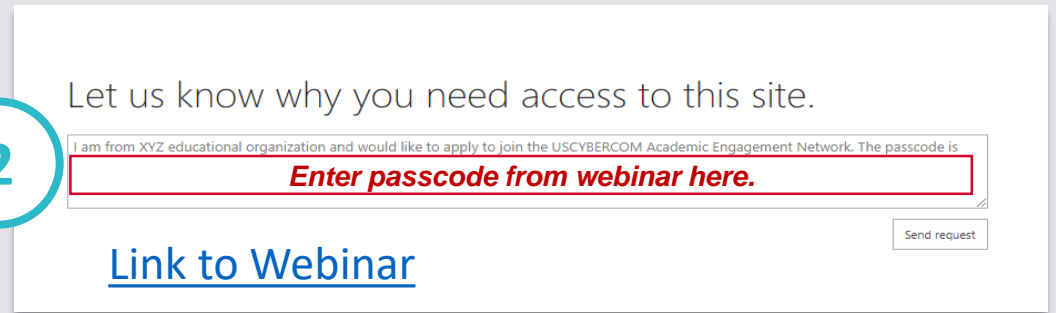

Await announcement in January 2022

You will get an email notification of our decision and your next steps
